How Special Ops Became Central to the War on Terror - Video

The allure of elite commandos parachuting in to tackle "mission impossible" began with two operations -- one a huge success and the other a massive failure

I am trying something new this month, this video is well done and I think it is of interest to all members of Special Forces.

Click the link below, There is an advertisement at the beginning of the video, I could not Remove it. So please be patient.

I have tested this on 3 different computers, on 2 it worked, so if it does not load, copy and past the address- into your browser

President's Message

My Fellow Chapter Members

On September 13, 2017 at our weekly Wednesday Breakfast we welcomed our newest Member to our Chapter 51. He is Colonel Leroy R. Barker, Jr. who is on Active Duty, U.S. Army. On this day Ed Davis brought him to our Breakfast and introduced him to our Members in attendance. Ed told us that COL Barker is the son of Leroy Barker who was the Demo Man in an A Team that served with Ed in Nam as well as back home at Ft. Bragg. Ed said that he has known COL Barker since he was a little boy. COL Barker is the Commander of the U.S. Army Recruiting Brigade stationed here in Las Vegas, Nevada. He is in charge of all Army recruiting on the West Coast all the way to and including Japan. COL Barker has served in several Special Forces Units. When he was looking over our Chapter Directory he recognized the name Tommy Harveston who he said had served in one of his Teams. His wife's name is Diane. He has been in Nevada for four months and recently purchased a house in Summerlin. He and his wife have two children a young man and young lady who are both in college. After having breakfast with us on that day he was off to the airport to go to Montana to visit recruiting stations in that State. Welcome COL Barker, Jr.

All Chapter Members and their guests are invited to celebrate Oktoberfest on Sunday October 8 at 1300 HRS at the Café Berlin located at 4850 W. Sunset Road which is on the northeast corner of Decatur Blvd and Sunset Road. This German restaurant is not opened until 4pm on Sundays but is being opened early for us as a special event. German food, German beer and desserts will be served. See the poster announcement that John Lied, Jr. our Events Coordinator put out on email that includes two pages of the German Menu. We are trying to get some live German music for the festivity. We currently have 44 who said they will attend. If you plan to attend do contact John Lied, Jr. at (702) 451-9476. Everyone selects their own meal and drinks and pays for them individually.

At the Oktoberfest gathering the Ladies Auxiliary will have their Raffle to include those four baskets full of cookies among many other surprise prizes. If you wish to donate an item to the Raffle do bring it with you. Bring some cash to buy some tickets to support our Ladies Auxiliary Raffle. Hope you win a prize.

Our next Chapter festivities are a luncheon on Veterans Day November 11 and the Christmas Party on December 9. Details as to time and place will be announced later.
