## **Flags lowered in Colorado for Fort Carson Green Beret**

Flags were lowered around Colorado Tuesday to honor a Green Beret from Fort Carson killed in Afghanistan earlier this month.

A funeral service was held for 33-year-old Sgt. 1st Class Stephen B. Cribben at New Life Church in Colorado Springs followed by a procession to Fort Logan National Cemetery in Denver.

Cribben was born in Rawlins, Wyo. and joined the Army in 2002. He was assigned to the 2nd Battalion of the 10th Special Forces Group. The Pentagon says he died Nov. 4 after being wounded in combat in the eastern Logar province.

Cribben received numerous awards during his career, including two Bronze Medals and the Purple Heart.

## President's Message

My Fellow Chapter Members

Several interesting things happened at our November 08, 2017 Wednesday Breakfast: (1) Our Chapter Member Solomon Vaughn Binzer donated \$40 to our Treasury for no special reason he said other than he liked coming to our Breakfasts every Wednesday and socializing with other Members; (2) Member Ed Bradshaw who lives in Lake Havasu City, Arizona stopped by to visit and joined us for breakfast; and (3) a surprise at the end of our meal was that the owner of the 50's Diner paid for the total of our breakfast in honor of Veterans Day coming on November 11 and his wish to thank all of us for our service to our Country. We were 22 in attendance that morning. The total of the bill was \$240. As always we left a generous tip.

The Dues of \$40 for 2018 are due at the end of the month. Make your payment to John Lied, Jr.

Our Christmas Party will be held on Saturday December 09, 2017. The Party will start at 6pm. The Party will be held at the Wealth Consulting Group Building which has a party room located on the first floor. The name is on the wall of the building. The physical address is 8925 W. Post Road, Las Vegas, Nevada 89148. It is located across from the U.S. Senator Dean Heller building whose name is also on the side of the building. These buildings can be seen from HWY 215 traveling west. They are located north of the new blue and yellow IKEA furniture store building. Credit for obtaining this place at no cost to the Chapter goes to Jerry Hocking. Jerry has also drawn a very detailed map. If you have not received one via email be sure to get one from our Events Coordinator, John Lied, Jr.

Cost will be \$20 per person to help defray the cost of the event. As soon as possible let John Lied, Jr. know if you are going to attend the Party. Last year 52 signed up and 3 more gave a “maybe” response but 18 did not show up. As a result lots of food, desserts and drinks were left over which was taken home by those in attendance. Reasons given for not attending was that the Party was held too close to Christmas and many had unexpected guests to accommodate which is the reason why this year we are having the Party early in the month of December. Champagne, wine, sodas, and bottled water along with coffee will be provided by the Chapter. Christmas decorations and Christmas music will also be provided by the Chapter. The catered meal will be Greek & Mediterranean with Baklava for dessert.

To add some Christmas jolly levity to our Party we will conclude our cheerful gathering with a fun game. For it to work everyone who attends the Party is asked to bring one wrapped gift.....not expensive.....just let your imagination go wild.....the gift can be funny, thoughtful, creative, creepy.....whatever you want. But this is important: bring one gift and that person receives one chance to select one gift and if a person were to bring two gifts then that person would get two chances to select two gifts. The gifts must be wrapped to hide what they are. The rest of the funny details on how the selections of the gifts are made will be disclosed at the Party.

Wish all of you a Merry Christmas and best wishes for a healthy and happy New Year 2018.
